IMMEDIATE OPENING

TEMPORARY INFANT TODDLER TEACHER—FLOATER

Come join a friendly, warm, nurturing and caring community of early childhood educators providing a culturally-relevant curriculum and creating a developmentally-appropriate classroom for children ages 0-3 years.

This position requires the services of a qualified individual who will be responsible for teaching infant/toddlers in an assigned classroom/center. The Teacher is responsible for the implementation of the curriculum, developmentally appropriate classroom and outdoor activities, guidance, safety and supervision of infant/toddlers assigned to the classroom. The Teacher is responsible to open or close the site as requested. The Teacher will work collaboratively with the Head Teacher, Program Manager, Service Area Managers and parents to achieve or exceed the Head Start Performance Standards. The Temporary Floater Infant/Toddler position will be assigned to one center but will be available to substitute in other classrooms or centers as needed. This position is expected to last for approximately six months.

EDUCATION AND EXPERIENCE

Infant/Toddler Teachers must meet California's Community Care Licensing academic and clearance requirements to be considered for this position. Two years experience working with infant/toddlers in a home-based or center-based program. A.A. or B.A. degree and/or Competency Development Associate (CDA) certificate with at least (24) academic credits in Early Childhood Education/Development from an accredited institution are required including 6 or more units in infant/toddler courses, 6 units of Classroom Administration, 2 units of Adult Supervision, 3 units of Supervised Field Experience in an Infant/Toddler setting (CDEV 72 or equivalent) and a CTC Teacher permit. Must be physically fit and capable of lifting children, stooping, squatting, sitting on the floor, running, bending, crawling, reaching up, and climbing preschool play structures.

Bilingual—English/Spanish, English/Cantonese Preferred
